

## Yangon Airways

Last Updated Thursday, 16 August 2007

### Aircraft Fleet

Operate new and reliable ATR-72 Turbo-Prop aircraft fitted with state-of-the-art avionics systems. The aircraft are maintained to the highest standards according to JOINT AIR REGULATIONS, and are EUROPEAN LICENSE VALIDATED. All aircraft are INSURED BY AIG in the UNITED STATES.

### Crew

Pilots are qualified to international standards. Their skills are updated regularly by on-going training in flight simulators at the manufacturer's Training Facilities. Cabin crew exemplify that famous Burmese hospitality! Always caring, gracious, and ready to pamper you.
